March 31, 2020

Circular to All Chief Executives of Commercial Banks and Credit Institutions

Revision of the Clearing House Time for Session 1 and Session 2

Reference is made to His Excellency the President of Uganda's televised state of the nation address on the Corona Virus - (COVID 19) pandemic where the use of private motor vehicles has been banned for the period 1st April 2020 to 14th April 2020. This has affected access to the Bank premises by members of staff who handle clearing house operations in the commercial banks and at the Bank of Uganda.

Subsequently we have revised the Clearing house schedule as follows:

1. Session 1 clearing time shall remain the same time 9:00am
2. Session 2 clearing time shall be revised from 3:30pm to 2:00pm

The RTGS closing time shall be revised from 4:30pm to 2:30pm.

The above measures are meant to ensure that staff leave their offices early enough to be at their place of residence before the designated curfew time of 7:00pm.

Mackay Aomu
Director
