NATION MEDIA GROUP PLC

The Directors are pleased to present the unaudited half year Group results, for the six-month period that ended on 30th June, 2018.

Group turnover at Kshs 4.9 billion was 6.7% below last year, while the profit before tax and exceptional items (provision for overdue debt Kshs 291.6 million and foreign currency exchange loss Kshs 49.7 million) at Kshs 1.1 billion was 7.4% below last year.

The Group performance was adversely affected by revenue shortfall as a result of reduced advertising and circulation volumes, the closure of NTV at the beginning of the year, the increase in global newsprint prices and foreign exchange depreciation, particularly in Uganda.

The provision for the overdue debt is in line with Group policy and has been caused by delays in payments especially by the government. This provision will be reversed once debt payments are received.

The Group has intensified the focus on new revenue sources, in addition to managing the costs to ensure sustained positive performance in the long term.

INTERIM DIVIDEND

The Directors have resolved to declare an interim dividend of Kshs.1.50 (60%) per share (2017: Kshs.2.50 per share) for the half year, on the issued share capital of 188,542,286 ordinary shares of Kshs.2.50 each. The total interim dividend payout will amount to Kshs 282.8 million (2017: Kshs 471.4 million).

The dividend will be paid less withholding tax where applicable on or about 30th September, 2018, to shareholders registered at the close of business on 16th September, 2018.

The register of members will be closed from 19th September to 23rd September 2018, both dates inclusive.
